

Demolition Derby Rules

Date: September 10th, 2011 | Start Time: 3:00PM

1. All drivers must wear a D.O.T approved helmet while competing.
2. All drivers must wear a shirt, shoes and long pants at all times while competing in the derby.
3. If a driver gets out of the car during a heat and starts an argument or fight they will be disqualified or banned the rest of the year from competing in the series.
4. Any driver or pit crew found to be under the influence of drugs/alcohol at any time before, during, or after an event will be made to leave the track immediately no refunds will be given and that driver will lose qualification/money for that derby.
5. Officials have the final say on all rules, regulations and we reserve the right to reject an entry if the car is found to be illegal at any time.
6. NO HEAD ON BUMPER TO BUMPER HITS.
7. In the event of a rollover the derby will be stopped instantly and the car will be put back on its wheels providing no safety infractions the car can continue. 2 rollovers in one heat and you will be black flagged.
8. If your car catches fire 2 times you will be black flagged.
9. If you or any of your crew start a fight or argue with an official you will be black flagged for the rest of the derby.
10. Once your car passes tech you will in no way get a refund.
11. Two (2) trips through the inspection line is all any one driver gets to pass tech.
12. All cars must be at the track 2 hours before the derby starts.
13. NO SANDBAGGING ALLOWED.
14. DO NOT HIT ANOTHER CAR IN THE DRIVERS DOOR.
15. DO NOT USE YOUR DRIVERS DOOR AS A SHIELD.
16. NO TEAM DRIVING ALLOWED.
17. DO NOT HORSE PLAY IN THE PUIT AREA CUTTING DONUTS, DRIVING CRAZY, AND NO FIGHTING IN PIT AREA

Car Prep

1. All glass, trim moldings, mirrors, door handles, and flammable material must be removed from the car. (clean the glass and debris out of the doors and trunks.)
2. Gas tanks, batteries must be fastened securely and covered so they will not come loose during the derby.
3. Every car must have a seat belt and it must be worn at all time while competing in the derby.
4. 106 inch wheel base or less cars only
5. 4 or 6 cylinder motors only allowed.
6. A 4 point cage is mandatory. 4 inch pipe max on the dash bar and the bar behind the seat. if you use a round pipe or square tubing as door bars it can be no bigger than 4 inch max if you use channel for door bars. no bigger than 8 inch max. The 4 point cage cannot be no further than 6
